MT. CAESAR UNION LIBRARY

The McNaughton Book Service, started this past year, has made available to our borrowers many of the new books shortly after publication.

When Perley F. Safford died in April, Mrs. Lester Pelletier started a fund for the library in his memory. The money friends contributed was used to purchase three book trucks, a record browser bin, and shelving for back issues of magazines. Magazine shelving for current magazines was purchased using the Small Memorial Fund.

The Statewide Borrowers Card was put into effect July 1, 1970. The card is valid at any library in the State belonging to the State Library System. The card is obtained at the local library.

National Library Week was observed with four classes of the 2nd grade visiting the library, and in observance of Children's Book Week, four classes of the 1st grade also visited the library.

The successful summer reading program used the excursion boat, Mt. Washington, on Lake Winnepesaukee as its point of interest. Fifty-seven readers were enrolled and 973 books were read. The summer reading closed with a party on Wednesday, Sept. 2nd, in the First Congregational Church, Swanzy Center.

Circulation for the year consisted of 12,027 books, 634 magazines and 81 records. Any one living, attending or teaching school in Swanzy may use the services of the library. The hours are Monday, Tuesday and Thursday from 2:30 to 4:30 in the afternoon and 6:30 to 9:00 in the evening.

Respectfully submitted,

MRS. JOHN PALM,
Librarian

HENRY JOHNSON,

Chief Fire Ward

POLICE STUDY COMMITTEE

During numerous meetings held with various individuals and officials the following recommendations are proposed:

1. It is imperative that the Town of Swanzey purchase 7 new radios at a cost to the town of \$1,904.00. The federal government will allocate \$5,712.00 toward the purchase of these radios. The New Hampshire State Police, Sheriff's Department, etc., are changing to a new meter 4-band frequency which will make the present equipment obsolete this year.
2. Seven new monitors are needed to go with these new radios. The cost of these monitors will be \$700.00.
3. The sum of \$500.00 should be appropriated to send two police officers to a college offering an accredited course in police training. This money, if appropriated, will cover the cost of tuition and mileage to and from the school for one car for a 13-week period. Classes will be one night a week.
4. The sum of \$500.00 should be appropriated as a clothing allowance. No more than \$50.00 to be issued to any one officer per year.

Other items which were brought up before this committee but not considered to be feasible at this time are:

Full-time police force.
New quarters for the police department.
A raise in pay for the individual officers.
Purchase of a town police cruiser.
Establishment of a night court.
Purchase of riot equipment.
Employment of a full-time police chief.

This committee also recommends that either this or another Police Committee be appointed for the ensuing year to carry on the work already accomplished by the present committee.

THERON FOSDICK
RALPH RINES
ROBERT DODGE
WILLIAM READE
JOSEPH LITTLE

AUDITORS' REPORT

I have examined the accounts of the Selectmen, Town Treasurer, Collector of Taxes, Town Clerk, Trustees of Carpenter Home, Trustees of Trust Funds, and have found them to be properly vouched and correct to the best of my knowledge and belief.

Report of the Forest Fire Warden and District Chief

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture — to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning. Such burning is restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or Industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help," and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	—	484 fires	—	244 acres
DISTRICT	—	33 fires	—	32 acres
TOWN	—	3 fires		

HENRY JOHNSON, Forest Fire Warden

R. BURNS, District Fire Chief
